BUILD & TRUST WITH SHIVAM CEMENT

WARM WELCOME & GREETINGS TO THE ALL DELEGATES & PARTICIPANTS

A BRIEF COMPANY OVERVIEW

- ▲ Shivam Cement was established in 2003 with an effort to lay foundation of quality production of cement in Nepal and help grow the country's economy by reducing the imports and becoming self-sufficient.
- ▲ Our manufacturing plant was completed in 2009 and started its cement production in the year 2011.
- ▲ Our manufacturing plant is located at Hatiya-14, Makwanpur district, which is just 7 Km away from beautiful Hetauda city, having easy and convenient accessibility to the capital.

▲ We are one of the largest manufacturing **Green Field Project** in Nepal with capacity to produce 3000 Ton of Cement Per Day.

▲ Our plant has capacity to produce 60,000 bags of OPC (43 & 53

MISSION

To establish itself as leader in the industry providing outstanding value to our customers.

To provide a safe and stimulating work environment for our employees and community.

To provide superior returns to the nation as a whole.

VISION

"To be the largest and most respected cement company in Nepal that partners in nation building"
